## GOOD NEWS AHEAD?

At the start of any New Year, we hope for good news and for good things to take place in the year ahead. Given the situation in our own nation and the wider world with a seemingly endless stream of bad news that longing is perhaps greater as we face the prospect of another difficult 12 months.

Therefore, what can help us feel more hopeful about the year despite all the difficulties and pressures?

I would suggest that good news is to be found in the normal everyday activity of life and particularly in the interaction with one another. Looking back over the past 3 years, with the benefit of hindsight we now know that the lack of social activity has had a very significant impact on our lives and especially for those people who are most vulnerable.

Thankfully, we now meet up with one another without any restrictions and the usual routine of community events and activities are now happening again in our villages.

Many people can find this time of year more difficult because of the colder weather and the shorter hours of daylight, which can restrict going out and meeting other people. However, each of us has a role to play in looking out for those in our own villages, who we know are lonely or more vulnerable. Those simple acts of kindness and friendship to a vulnerable friend or neighbour such as phoning them or calling them, checking that they are okay and offering help with shopping and such like, that can make such a difference.

Our care and friendship helps the person in greater need and boosts them, and it also benefits us as we feel better knowing that we have done something worthwhile.

Of course, these acts of kindness and friendship are happening every day in each of our villages and this is good news to celebrate, whatever else is happening. Therefore, in the midst of things that we cannot change, I encourage you to thank for all that is good in our lives and in our villages.

In January, Christians celebrate the season of Epiphany, which reminds us of how into the difficulty and suffering of life, the light of God's love still shines in the person of Jesus Christ. Then, at Candlemas we light candles as a sign of the love of Jesus shining in our lives and in the darkness of the world around us.

Whether or not, we have faith in God, it is in showing care and friendship for one another that we play our own part in bringing about good and strengthening our own communities. The love and care we share and show to one another brings us benefit and a greater sense of well-being.

I wish you every blessing for the New Year ahead.

### Baptism in the Binsey Team Mission Community

We are really pleased when parents approach us about Baptism (also known as Christening) for their child. It's a very important step, both for parents and the child.

Infant Baptism involves parents and godparents making a public commitment about their own Christian faith and the church. They are making a commitment to pray for their child, so that as they grow, with their help, and ours, they may be able to live out in practice the Christian life.

To enable parents to do this we ask that you come and join us in worship at any of our team churches at some point in the two months BEFORE the date of the baptism, if at all possible. After an enquiry is made, a home visit will be arranged to discuss things informally, to see what level of preparation might be appropriate and answer any questions.

For an informal chat about infant baptism, please contact the Team Rector, Revd. Stephen Banks on 016973 71541 Please note that St James, Uldale is not currently available because of major restoration work.

WEDDINGS

### Choose any one of our churches for your special day!

Congratulations if you have just got engaged and are thinking about getting married in one of the Binsey Mission Community churches.

If you currently live anywhere within the Binsey Mission Community area, then you can get married in our churches. If you live elsewhere, but have a family connection to a church, or want to come and worship regularly in our churches, then we'd love to help you.

If you would like to enquire about what is currently possible or book a wedding, please contact our Team Rector, Revd. Stephen Banks on 016973 71541 for a friendly chat. He will be able to talk you through what is possible and what are the current differences.

We would love to welcome you into our church and help you make your life-long commitment to each other before God.

Please note that several of our churches are small, so not able to accommodate more than 50-60 guests, and St James, Uldale is not currently available because of major restoration work

## Introducing Peter Dixon

**The Revd Peter Dixon has been licensed by the Bishop of Carlisle as Interim Associate Priest for the Binsey Team to provide support for the parish over the next few months. Peter's normal working days are Wednesdays, Thursdays and Fridays along with Sundays and we are very pleased to welcome him to Binsey.**

"Hello, my name is Peter Dixon and I am delighted to be part of the Binsey Team and very much looking forward to meeting you all and to taking on the role of self-supporting Associate Priest. I shall enjoy getting to know each one of you in the weeks and months ahead.

I am married to Wendy, who works for the NHS. We have two children, Rachel and Joseph. Rachel, a psychotherapist, with her own practice in central London, is married to Toman accountant and they have a three year old son, Wyatt Joseph our son, lives in Cornwall and works as a grants manager for an international disaster relief organisation.

My own background has been in the field of mental health, the caring professions and working with people with addictive behaviors. Having worked in drug treatment programmes for a number of years we eventually moved as a family to live and work in Nepal. At that time there was a rapidly growing drug problem in the country, so the work therefore entailed initiating and developing a comprehensive range of services to prevent the spread of HIV amongst drug users and the wider population. We returned to this country after six years.

Upon our return, I had an interesting year studying for a masters at the Liverpool of Tropical Medicine which involved research into ante natal care in clinics around Harare, Zimbabwe. I then worked in the area of community health in Mozambique and Tanzania, running health care programmes for refugees under the auspices of UNHCR. A job offer brought us to Cumbria to work for the NHS Cumbria Partnership Foundation Trust as Clinical Director for the Drug and Alcohol Directorate; working there for several years before taking early retirement.

Upon retiring I responded to a longstanding call to ordination. That call initially came many years earlier whilst at university; but the journey since has been a very long, interesting but necessary one, before finally coming to fruition. I have since completed a training course for the ordained ministry with what is now the Emmanuel Theological College, Diocese of Carlisle, and was ordained in Carlisle Cathedral. More recently, I served in the Eden Wild Goose Mission community as an Assistant Curate to the Churches of Holme Eden and Wetheral.

Wendy and I are very much looking forward to starting in this new role and to working with Stephen and the team in the Binsey Team Mission Community and to getting to know all of you in the near future."

# Book Review

## Hamnet By Maggie O'Farrell

Having won the Women's Prize for Fiction, the National Book Critic's Circle Award for Fiction, Dalkey Literary Award's Novel of the Year and Waterstone's Book of the Year 2020, I don't suppose anyone can deny that there must be something worth exploring in this book...and believe me, there really is. On a summer's day in 1596, a young girl in Stratford-upon-Avon takes to her bed with a fever. Her twin brother, Hamnet, searches everywhere for help. Why is nobody at home?

Their mother, Agnes, is over a mile away, in the garden where she grows medicinal herbs. Their father is working in London. Neither parent knows that one of the children will not survive the week.

Hamnet is a novel inspired by the son of a famous playwright. It is a story of the bond between twins, and of a marriage pushed to the brink by grief. It is also the story of a kestrel and its mistress; flea that boards a ship in Alexandria; and a glovemaker's son who flouts convention in pursuit of the woman he loves. Above all, it is a tender and unforgettable reimagining of a boy whose life has been all but forgotten, but whose name was given to one of the most celebrated plays ever written.

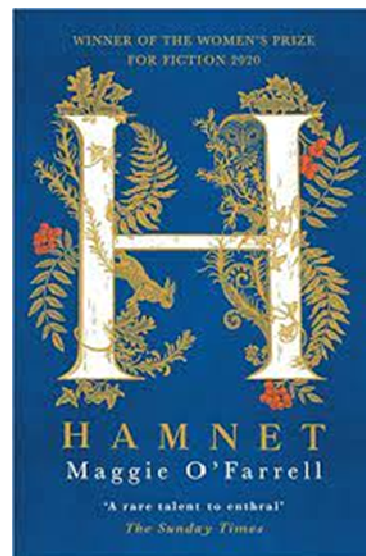

I believe that Maggie O'Farrell manages to achieve something in this novel that few writers do: a compelling and profoundly affecting plot coupled with a style of writing that captures the imagination and builds a historical world in detail of such perfection that I never wanted this novel to end. It absolutely tore me apart and made my heart sing in equal measure. In fact I did something after reading (a borrowed copy of) this book that I have never done before in all my life...I went out and bought a beautiful copy in hardback so I could keep it always.

I have read literally hundreds of books in my life and this one is definitely in my top five

Our thanks to everyone who supported our Christmas services and fund raising; did you see the beautiful quilting on display in church? Maureen assures us there will be more to come this year. Have you noticed the little carved pieces on the windowsill – created from wood found in the churchyard? More keep appearing as our friendly crafter gains inspiration!

Funds raised at our pop-ups help to pay the bills both for church and the Dewode health centre in Uganda. Yusuf, the manager out there sent this message: As we plan to get into new year 2023, the staff of Pakegido Health Centre are very happy for the financial support that made them to continue giving medical services to the people of Katinge/Kobulubulu. Hi everyone.

I hope most people will have seen the poster for the meeting to form a coronation celebration group. Unfortunately, with the Christmas edition being early I was unable to get it into it but, hopefully, by the time you read this we will have got a committee and some idea what we want to do. The floor has been refurbished and painting is next on the agenda we're going to be very smart.

Can I just mention that the flower club is not a private function and everyone is welcome to join.

## St Cuthbert's

New Years greetings to all our friends in our community, trusting that you have all managed to have a peaceful festive period with family and friends. Here at St Cuthbert's we held our Carol service midweek in order that we could, as is becoming traditional, invite our schoolchildren and their families to join the celebration with us. The children were fully involved in the service and worthy contributors to the proceeding, including the serving of light refreshments to all afterwards. Our Christmas eve Eucharist was well attended when we welcomed seven visitors into our service.

Recent visitors will, perhaps, have noticed an improvement to our lighting system as we have been able to replace out-dated bulbs with modern, energy efficient ones, in both the North and South aisles thanks to a very generous grant of £1000 from the Aspatria Charity Shop, THANK YOU.

Soon we hope that we will be able to improve the lighting in the Chancel/Choir area thereby enhancing the beauty of the East window.

A friendly reminder, please remove all Christmas trees, wreaths and displays by the end of this month, plastic bags are available for your use close to the small 'wicket' gate, so you are able to dispose of the items properly. This system has worked well in the past, ensuring that the Churchyard can be maintained in a tidy manner. It also helps to protect the 'Grasscutter'!

Ongoing plans are to replace the 'main' wooden gates as the current ones are becoming 'unfit for purpose' and so

we would ask that all use either the small wooden gate or the 'Kissing' gate for entry. Your co-operation will be much appreciated.

Best wishes to all our friends, hope to renew our acquaintance with you soon.

## Wythop

How lovely it was to welcome everyone to our Carol Service and to enjoy Mince Pies and Mulled Wine afterwards, for the first time for three years. Thank you to everyone who helped to decorate the Church for Christmas. It is a step in the right direction having the opportunity, as we did on Christmas Day, to take wine at Communion after so long without, but no-one who is still uncomfortable about this will be under any pressure at all at Wythop if they prefer to opt out.

We look forward to welcoming John Freeman to St. Margaret's and hope he enjoys his ministry in the area, as Associate Priest and A66 Church Plant Pioneer. His appointment will help to relieve the pressure on The Rector.

### Bassenthwaite

In early December WI members gathered with friends at a "Bassenthwaite Winter Drop-In" in the Parish Room to make a selection of Christmas wreaths and decorated Christmas candle holders. As ever, experienced hands were generous with their knowledge and practical skills, all enjoyed a sociable morning in a lovely warm room and friendly atmosphere which really felt that Christmas had begun. The Christmas spirit was further enhanced at our Christmas evening meeting when members and their guests were royally entertained by the very talented Ian France with a Christmas musical extravaganza. There was a full programme of well-known Christmas songs and ample opportunity for audience participation. A glass of mulled wine, a magnificent Christmas buffet and convivial company all contributed to a very enjoyable evening. The competition for a Christmas tree decoration was won by Kate with her felt creation of '3 French hens'. Congratulations to Valerie Trafford who won the prize for most points from the competitions this year. Our February meeting on Thursday 9<sup>th</sup> will be a talk by Max Lothill on the Border Reivers and the competition will be an interesting one. The hostesses for the evening will be Mesdames K. Calvert and J. Williamson.

### Embleton

Members of Embleton WI held their first meeting of 2023 on Wednesday 11 January at which Ros Downing from Bassenthwaite gave a well-researched talk about the history of Biscuits. The first biscuits were dry Ships Biscuits made to last on long sea voyages. Sweet biscuits weren't produced until the 19th century. In Cumbria Jonathan Dodgson Carr was one of the founders of mass-produced biscuits. He set up a shop and bake house in Carlisle in 1831 before building the factory in Caldewgate which made biscuits by day and bread by night. He received the Royal Warrant in 1842 and became the largest baking business in the country, famous for Table Water Biscuits. Carrs remained in the family until 1931 but was eventually absorbed by United biscuits and is now part of a private equity company.

Evelyn Chester won the competition for a biscuit tin; Laura Todhunter came second. Wendy Mitchell won the raffle. We have invited members of several other local WI branches to celebrate Embleton WI's 99th birthday at a Pudding Evening on Wednesday 8 February. Our speaker for the next meeting on Wednesday 8 March will be Mark Stainton who will be talking about Antiques. Meetings are held at 19.30 at the village hall on the second Wednesday of each month. We are always pleased to welcome guests and new members; please contact our secretary Joanna South 01900 828110 for more information.

### Uldale & Ireby

December meeting. What a great evening we had! It was led by Emma who gave us a talk on how and what to notice when tasting wine. The tables were laid out beautifully with specially designed place mats, tags for glasses so we didn't all get mixed up, water to swill our glasses and spittoons (paper mugs) – in case we didn't like anything! Our hostesses – Louise and Colina and also Amanda brought out small amounts of 5 wines in turn for us to taste. We had to note the aroma, colour and other aspects of the wine and have a guess at what grape it was, which country it was from and also how much it cost!! From the murmurs around the room – the German Reisling was the most popular and the most expensive wine – an English sparkling was the least favourite! We then had to try and pair the wines with the cheeses we had on our tables....all of this was easier said than done! We had lovely cheeses – some sourced locally. The Torpenhow Cheese Company donated a round of Darling Howe Brie and The Lake District Cheese Company – based in Aspatria and supplied by cows from Uldale among other villages nearby, supplied a range of cheddars and a Red Leicester. This evening was in the form of a competition and our answers were marked by the organisers so there could be no cheating! The team Mistletoe and Wine came second with the 6 Old Binsey Boozers - Doreen Gleed, Sarah Ashburner, Gladys Strickland, Anne Robinson, Lin Nieves and Elizabeth Gill – the outright winners. Doreen Gleed won the drawing. Kathryn Fielding won the competition for a bottle stopper – it had antlers – and Doreen Gleed came second. Susan Little gave the vote of thanks to the organisers. This was a new event and it was well thought through and most enjoyed by everyone. Non alcoholic wine was also available.

Eighteen of us braved appalling weather to attend the first meeting of 2023. A large number of members were ill but the vice president extended a warm welcome to those of us who could make it, especially to the two new ladies. After a short business meeting, during which it was mentioned that new key boxes and a new cash box had been fitted, we tucked into a lovely meal of various pies with peas and beans followed by several delicious desserts. An intriguing quiz followed, which took a bit of working out! The competition for a tray cloth was won by Janice Havelock, with Janet Clayton coming second, and the drawing was won by Velma Bottomley. We meet on the first Thursday of the month at Ireby WI Hall. Please message the Secretary at [UldaleandIrebyWI@gmail.com](mailto:UldaleandIrebyWI@gmail.com) if you are interested in attending.

## Parish Council

### Allhallows

The January meeting was held at Allhallows Centre in Fletchertown.

#### BOROUGH COUNCIL REPORT:

Mike Johnson our Borough Councillor updated us on continuing developments within the new Cumberland Council. Progress is being made.

He will continue to inform the Parish Council about the legislation concerning the disposal of old furniture.

Concern was raised about speeding through the Parish and how monitoring had been installed in the wrong place.

COUNTY COUNCIL REPORT: Jim Lister did not attend. Nor did our future Councillor.

PLANNING: one application had been received.

ALLOTMENTS: Little has been done by holders because of the rainy weather. One allotment is causing concern.

PLAYPARK: The equipment company will be along to inspect the equipment. The weather has made conditions very difficult.

WEBSITE: A new company has been chosen.

JUBILEE WOOD: New trees are to be planted; oak trees and holly also. Daffodils have also been planted.

DEFRIBRILLATOR: Councillor Standish is to investigate the management of this device.

PRIDE IN THE PARISH: Work will recommence in the spring.

### Embleton

EMBLETON TRAFFIC REGULATION ORDER (TRO).

The Traffic Regulation Order which forbids HGV drivers from using the C2064 through Embleton village is now fully operational in that National Highways staff have erected the necessary signage along the A66 to alert drivers from both the Keswick and Cockermouth directions

that it exists. It is a legally binding regulation and one would think that the vast blue-and-white signs, as well as the black-and-white lorry panels are unmissable. However, this does not seem to be the case so if you see any HGV travelling through Embleton village, please inform our Clerk, Becx, whose details are below. If you are able to note the name of the haulier as well, that would be a great help in our attempts to stop this exasperating problem.

Thank you

POTHoles? WATER POURING DOWN THE ROAD?

BLOCKED DRAINS? Please report these to Cumbria County Council on: 0300 303 2992 from Monday – Friday between 8.30am and 5.00pm OR online at: <https://www.cumbria.gov.uk/doitonline/report.asp>

Once those reports are made, the County Council is

duty-bound to respond and remedy the problem. Please be patient, though, because there are relatively few council workers covering a very large area, and when the task is completed, please send a note of thanks. Sadly, they don't receive many of those.

Meanwhile, many thanks to the residents who voluntarily take on salt-spreading and drain-clearing duties.

With very best wishes to you all for 2023 from Embleton & District Parish Council.

#### DATE OF THE NEXT MEETING

The next meeting of the Parish Council will be on WEDNESDAY, FEBRUARY 15, 2023 at 7.00pm in Embleton Village Hall.

If you have a matter that you would like to raise, please contact our Clerk, Becx Carter, on 077866

78283 or email her at [embletonparishclerk@hotmail.com](mailto:embletonparishclerk@hotmail.com).

## School News

### Plumbland

Happy New Year to you all!

We had a very enjoyable time in school throughout the festive period. Our children performed brilliantly in our whole school production of 'Silent night' which told the story of where the carol originated from. Their singing of the carol in German was particularly impressive. We then had the chance to watch a professional team of actors perform 'The Borrowers' during our visit to 'Theatre by the Lake'. We were joined by community members for our annual carol service at St Cuthbert's Church, Plumbland and our Year 6 children served festive refreshments at the end of the service.

Other events in school included a whole school Christmas craft themed morning, Year 1 and 2 visit to Bassenfell Manor for 'The Christmas journey', Christmas lunch and parties and breakfast with Santa, which was organised by Fops, our fundraising team. We would like to say a special thankyou to the members of Fops who give up their own time to help raise funds for our school and also a big thank you to Mrs Sue Eilbeck who provided all of the items for the tombola, which we held after our concert.

As the new year begins we have lots to look forward to including multi sports tuition, musical instrument tuition, our forest school programme, a visit from a real artist for a printing workshop and a Chinese New Year workshop. Children in Year 3 and 4 are also busy planning their U Dance performance for the festival at the Sands Centre later in the term.

## **Bothel**

St Michael's CE School, Bothel

Happy New Year from all of the staff and Governors of St Michael's in Bothel! We hope you all had a lovely Christmas break and have had a great start to 2023. The new term is well underway here at school and the children have made a great start back to school, including our newest Nursery children who have joined our fantastic Nursery this term.

This term, KS1 are looking forward to a visit to St Michael's Church in Torpenhow to learn about Baptism as part of their RE curriculum and they are also going to be joining our local cluster of schools to learn about Chinese New Year in February. Year 3 and 4 are going to be joined by Kate from Healthy Ways once a week this term with lots of fun sessions on ways of keeping our bodies and minds healthy, and KS2 have already linked up with their partner school in India this term, with another Zoom call planned for next month. We are also hoping for a visit from Animal Encounters to support science learning in both KS1 and KS2, which should be very exciting!

Our focus Christian Value this half term is Respect and as a whole school we will be talking about what this means to us and how we can show respect to others, treating all people with love, respect, friendship and equality. Each week we share the ways in which the children have displayed our Christian values and they have already shown a super understanding of how we should respect everyone.

Toddler Group: Please do come along if you can to our Wednesday morning Toddler Group. It is lots of fun for children up to three years old. It runs from 10am to 11:30am every Wednesday morning in term time, so we look forward to seeing you there!

Nursery and Reception places available: We still have some spaces available if your child is either ready to start school Nursery or will be starting school in September 2023. We would love to show you round our lovely, friendly, spacious and well-resourced school, so please get in touch on [admin@bothel.cumbria.sch.uk](mailto:admin@bothel.cumbria.sch.uk) or on 016973 20632. We would love to meet you and everyone is always welcome!

## **Ireby**

A very happy new year to you all! The Spring Term always seems to start with wild weather but happy faces arriving back in school certainly lifts everyone's spirits. New topics, activities and trips are planned for the next few months with an expectation in the air of what looks like being another fun-filled and busy term. The nursery children in Binsey Class, and the Year 1 and 2 pupils, Whinlatter class, are diving straight into a topic around Travel and Transport. Binsey Class will be learning all about how mankind learnt to fly and both classes will be going to visit the Solway Aviation Museum.

Whinlatter Class are also hoping to jump on a train and take a visit to explore Carlisle train station. A climb up Binsey is also planned for our younger pupils – hopefully on a lovely calm and sunny day and these two classes are also visiting the World of Beatrix Potter. The KS2 class have a busy half-term planned as well including weekly swimming lessons at Wigton baths every Wednesday. In history, the Year 3/4 pupils are going to be focusing on how children's lives have changed across history and Year 5/6 pupils will be studying what the census can tell us about our local area. In geography the children will be finding out about Rainforests and in English they will be reading and listening to rainforest stories and exploring issues confronting indigenous people and the environment.

Our half-term school Christian Value is Friendship, an undisputed value in our society and a continuing focus and strength within our school, where strong friendships are developed and valued within each classroom, on the playground, eating lunch together and across year groups. At the end of last term, the whole school performed a wonderful and very special nativity Christmas service which even included our friend Bobble the donkey who led the children, carrying Mary, from the school to the church. With prayers from Rev. Banks and pews full of parents, grandparents, carers, neighbours, and friends, it was a perfect start to the Christmas holidays. The older children also enjoyed a fantastic trip to see The Borrowers at The Theatre by The Lake.

Ireby School has felt truly humbled over the years by the support from our local community. This was especially felt in December when we were presented with a cheque for £15,000 from the Ireby Festival Committee towards a new minibus, which we are hoping to replace soon. As you can see from our news updates and posts on our Facebook page and school website, we use our minibus every week for activities ranging from swimming lessons, sports events, Forest school and numerous trips and visits. It is an asset we are very proud of and appreciate enormously, and we are so grateful for the way it helps support and enhance the learning experiences we are constantly planning for our children here at Ireby School. A heartfelt thanks to the festival committee from us all.

## The Garden Year Sara Coleridge

January brings the snow, makes our feet and fingers glow.

February brings the rain, Thaws the frozen lake again.

March brings breezes loud and shrill, stirs the dancing daffodil.

April brings the primrose sweet, Scatters daisies at our feet.

May brings flocks of pretty lambs, Skipping by their fleecy dams.

June brings tulips, lilies, roses, Fills the children's hand with posies.

Hot July brings cooling showers, Apricots and gillyflowers.

August brings the sheaves of corn, Then the Harvest home is borne.

Warm September brings the fruit, Sportsmen then begin to shoot.

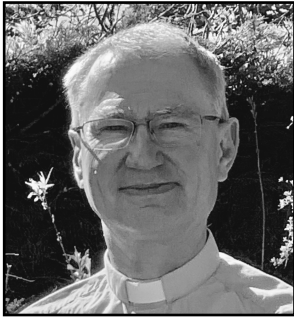

Fresh October brings the pheasant; Then to gather nuts is pleasant.

Dull November brings the blast, Then the leaves are falling fast.

Chill December brings the sleet, Blazing fire and Christmas treat.
